The data in this report differs from other College Board reports, such as *The AP Cohort Data Report*, which tracks exams taken by seniors throughout their time in high school (cohort-based) and includes public school data only.

If viewing this report by race/ethnicity please note that with the 2016 AP Exam administration the collection and reporting of race/ethnicity information was updated to reflect U.S. Department of Education guidelines. Schools and districts are strongly encouraged to use caution when making comparisons between 2016 and prior year race/ethnicity subgroup data due to these changes.
